Who We Are

Our Story

AUSTBEN MARINE SERVICES LLC was founded by seasoned maritime professionals who recognized a clear industry gap: the need for **responsive, high-quality, and client-focused** independent marine survey solutions.

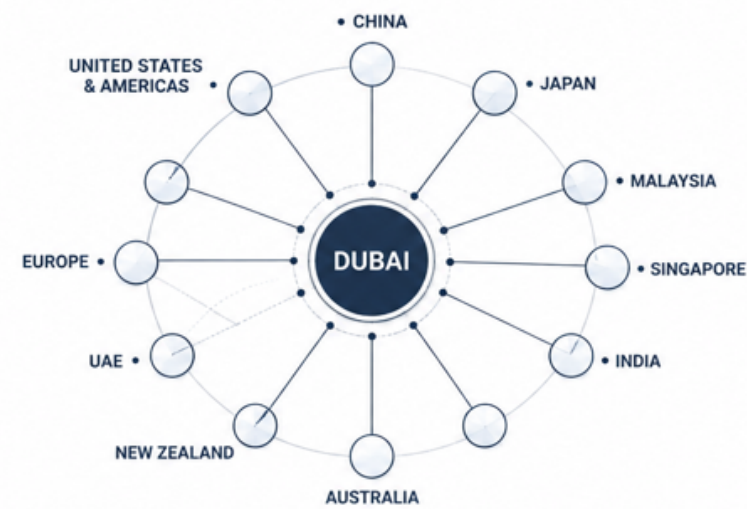

With decades of combined onboard and shore-based expertise, our team understands the operational, commercial, and regulatory challenges of modern shipping — delivering every inspection with accuracy, efficiency, and professionalism.

- ❏ Our mission: independent, transparent, and technically reliable marine inspections across the global shipping industry.

Our Reach

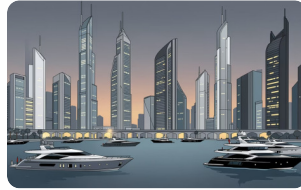

A Truly Global Network

Rapid deployment of qualified inspectors across every major maritime hub — from Asia-Pacific to the Americas.

Asia-Pacific

China · Japan · Malaysia · Singapore ·
Australia · New Zealand · India
